Presumed depiction of anaximanders from the school of Raphael in Athens, 1510/1511 Raphael's stanzas in the Vatican

Vague ideas about evolution, such as common descent and the transformation of species, have existed since the 6th century BC. BC, where it was represented by the Greek philosophers Anaximander

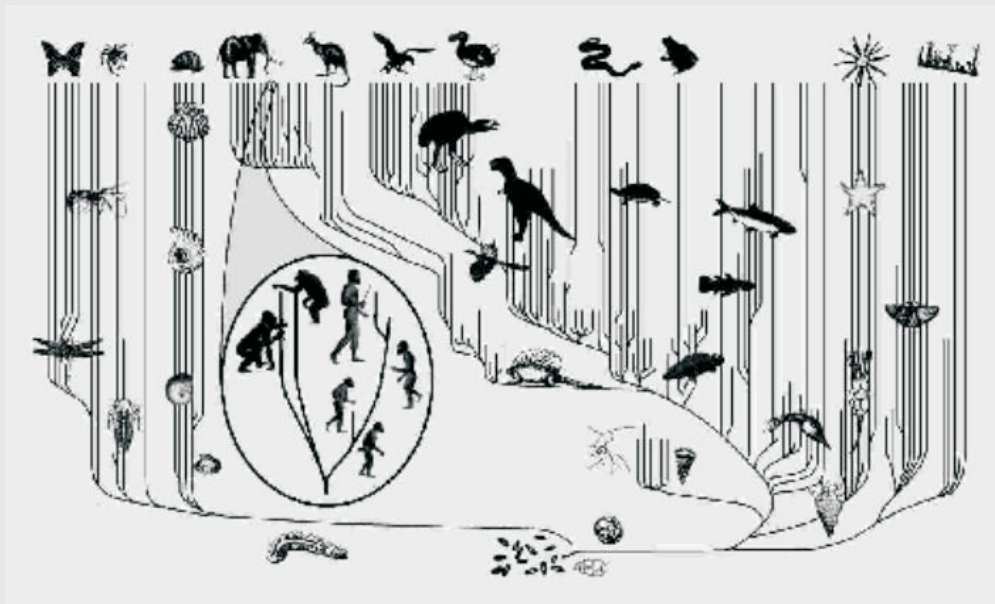

Wikipedia

## What does the Bible say about the origin of species?

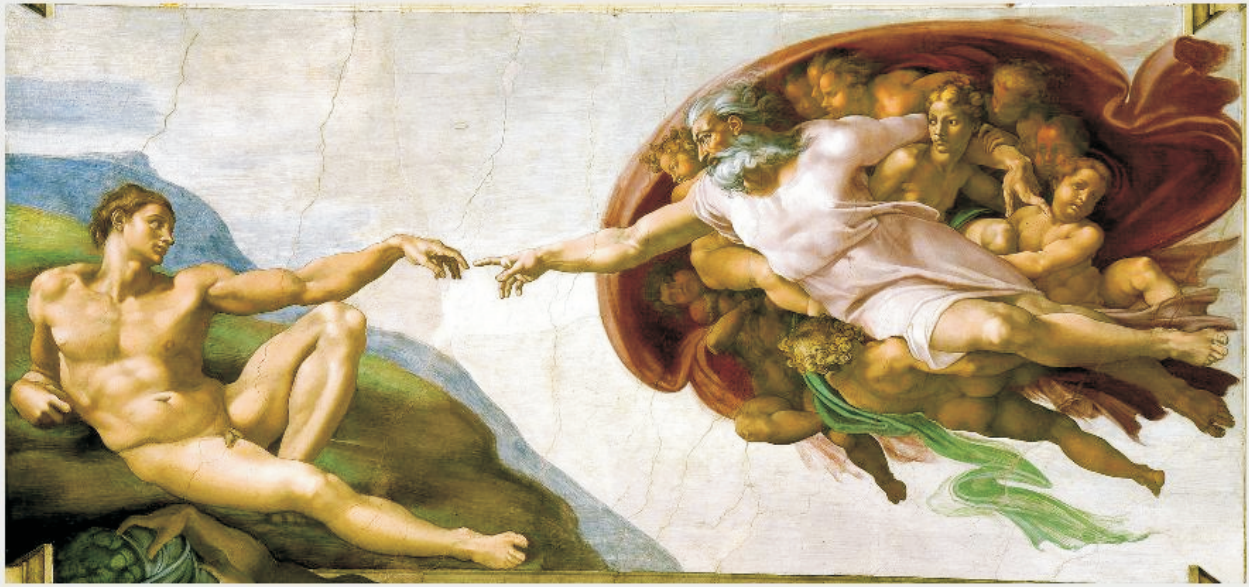

Genesis 1,25 And God made the beasts of the earth according **to their kinds** and the livestock according to their kinds, and everything that creeps on the ground according to its **kind**. And God saw that it was good.

## What does evolution say about this?

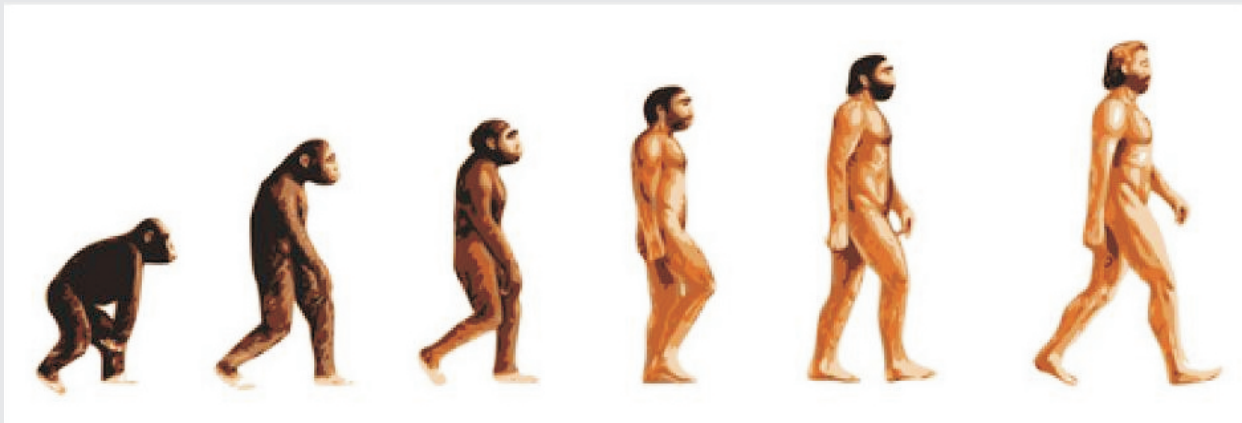

A biological theory of evolution describes and explains the origin and **change of species** as a result of organic evolution. i.e. a development process in the course of the earth's history that has taken place and is ongoing.

## What does the Bible say about the origin of man?

**Genesis 1,27 So God created man in his own image, in the image of God he created him; male and female he created them.**

## What does evolution say about the origin of man?

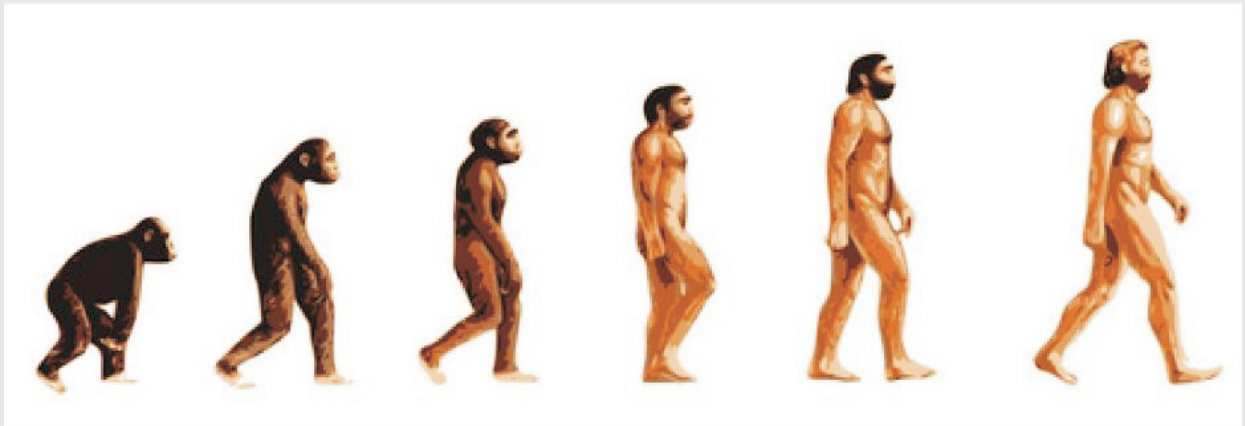

**Man descended from apes.**

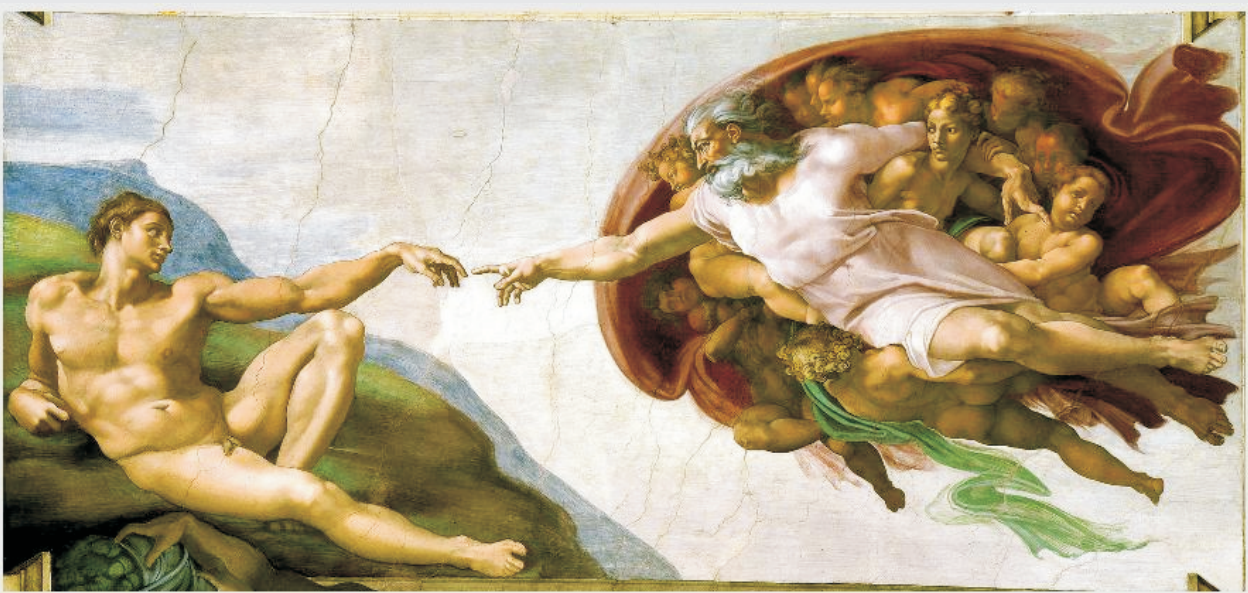

**What does that have to do with Jesus  
Christ?**

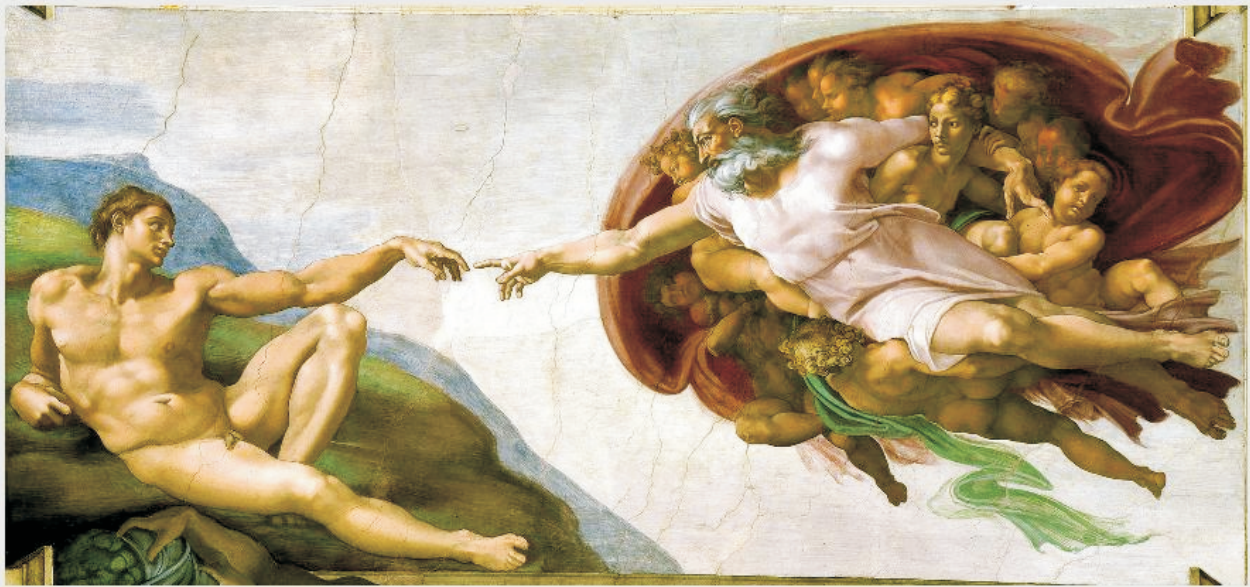

If man has gone through a development,

literally **THE** Adam of the Bible could not have existed.

literally **THE** Adam of the Bible could not have existed.

then it also has the fall into sin  
Genesis chapter 3 not given.

Seth	130	130	3980	Genesis 5:3	Only years are given for the ages of the births. Months are ignored. If you assume an average value of 5 months, this results in approx. 6 years. ..... ..... The 70 years of Terah can also be a bit imprecise, since all the children of Terah are named here. It was the same with Noah. Genesis 5:32 is given as 500 years. In connection with Genesis 11:10+11 it can be seen that Noah was 503 years old when Shem was born,

**In contrast to evolution, man has been on earth for around 6000 years**

**Why did Jesus Christ have to die to save us if Adam didn't exist?**

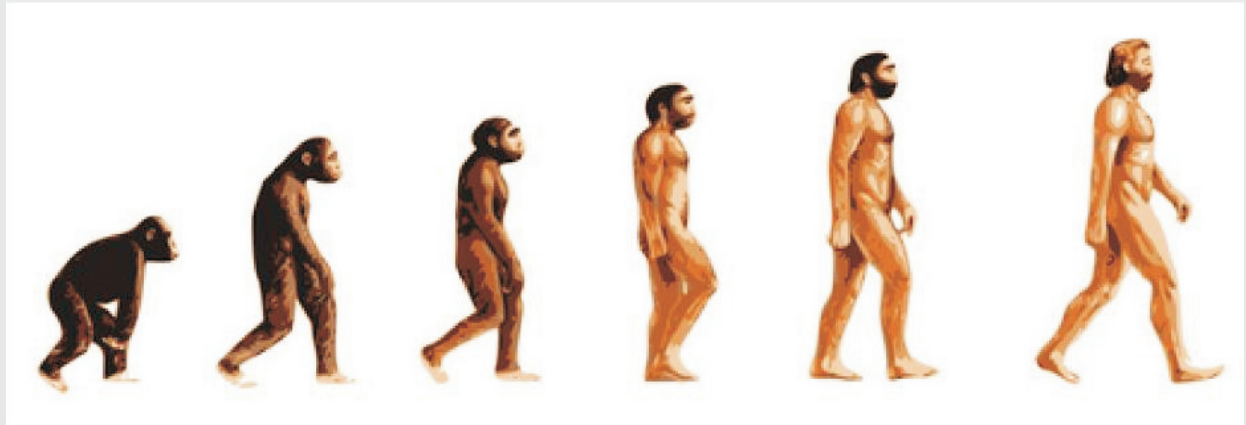

**Paul writes in his letter to the Romans:**

**5,12 Therefore, just as sin came into the world through one man, and death through sin, and so death spread to all men[5] because all sinned—**

**Who is Paul referring to?**

**Rom 5,14 Yet death reigned from Adam to Moses, even over those whose sinning was not like the transgression of Adam, who was a type of the one who was to come.**

**Which Adam is Paul referring to?  
The future is Jesus.**

**Rom 5,19 For as by the **one** man's disobedience the many were made sinners, so by the **one** man's obedience the many will be made righteous.**

**What disobedience is meant here?**

**Obedience comes from Jesus Christ.**

**The death of Jesus Christ only makes sense if THE Adam the Bible describes actually existed.**

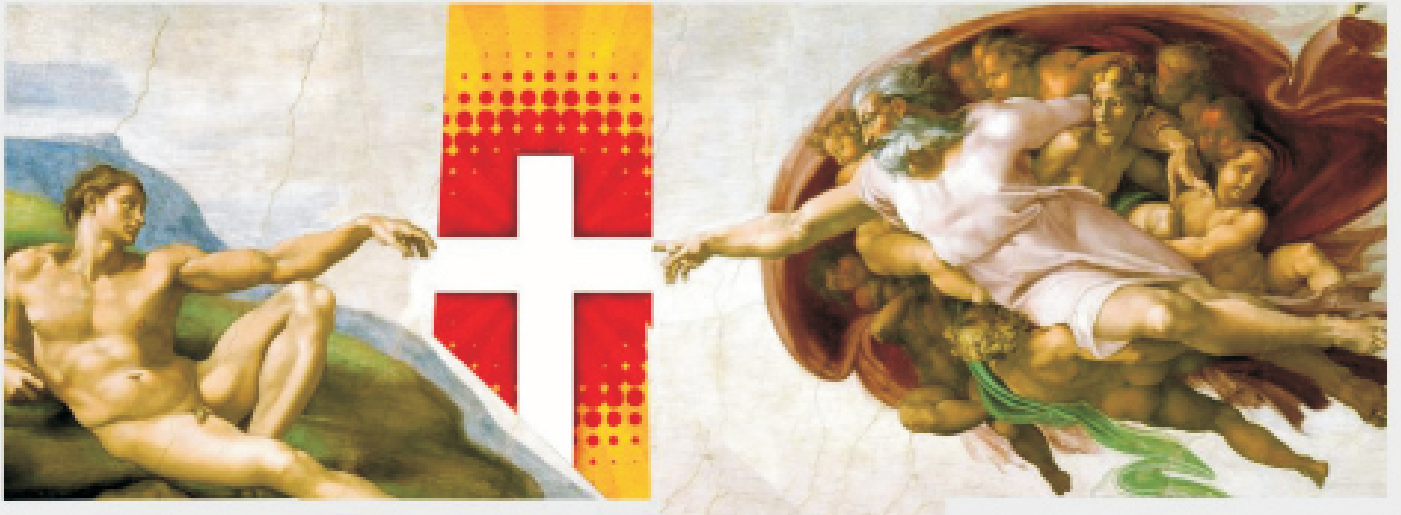

**Jesus Christ  
didn't die in vain**

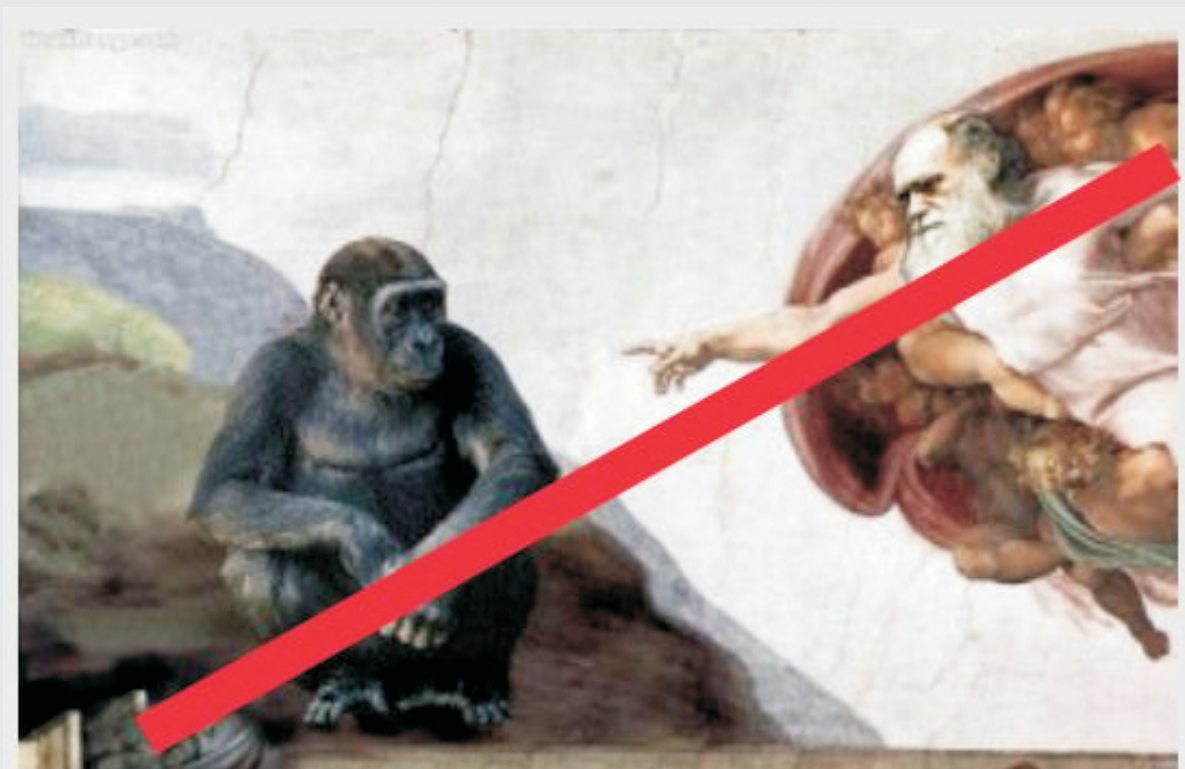

**1 corinthians 3:18 Let no one deceive himself. If anyone among you thinks that he is wise in this age, let him become a fool that he may become wise. 19 For the wisdom of this world is folly with God. For it is written, "He catches the wise in their craftiness,"**

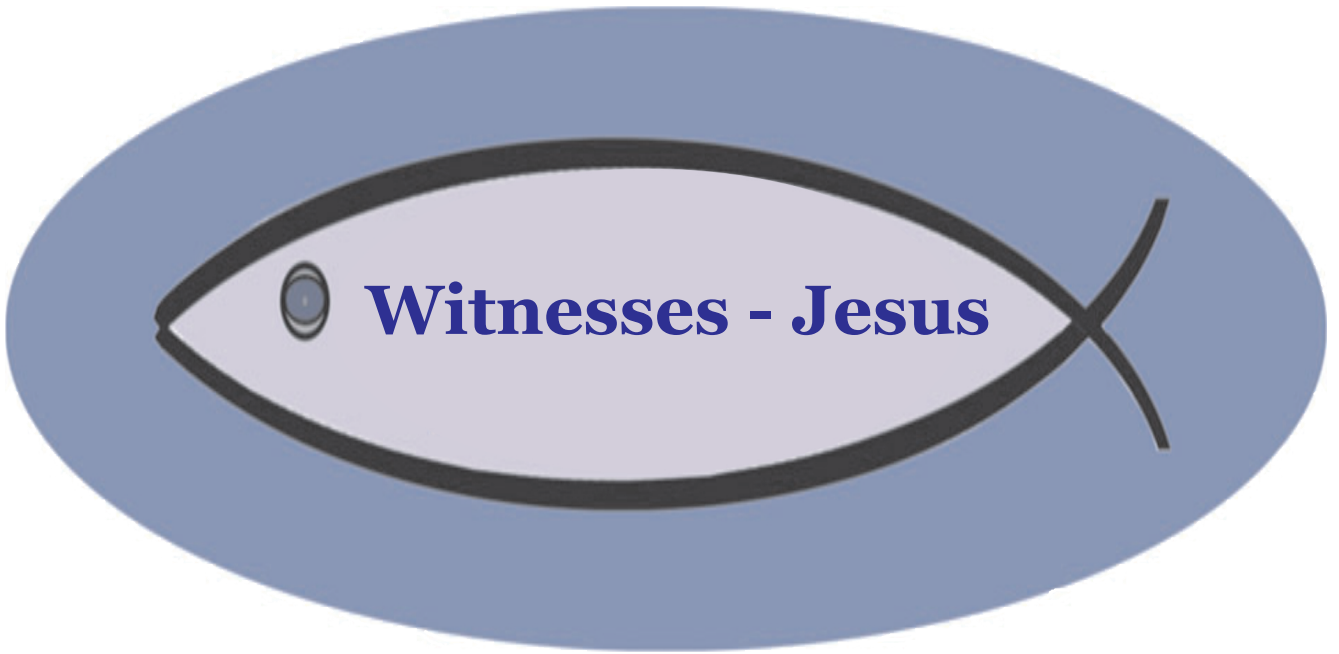

**1Corinthians 15:22 For as in Adam all die, so also in Christ shall all be made alive.**

**That is why belief in Jesus Christ is not compatible with belief in evolution!**
